Ms. Sortor,

I appreciate you looking into options, but I am the only one who fully understands my disabilities and medical needs. It is inappropriate for Weinstein to impose artificial deadlines or to presume to define those needs for me. I have sent over proposals that would allow me to relocate and begin long-delayed medical treatment, but I have yet to receive any counter-offer. Resolution will only come when Weinstein stops pacing the room in anger and sits down at the table.

My housing must be determined based on continuity and ADA accommodations, not arbitrary deadlines or false choices. I am working with Bowie House on alternative options and I will let you know more as those develop.

Thank you,

Kathryn Copeland

Ms. Copeland,

Good morning. It is my understanding that The Bowie is fully reserved after September 10, due to events occurring in the community (among them, TCU parents' weekend). We have confirmed your reservation at The Bowie is open until September 10 (so you will have to leave The Bowie at the regular check-out time on September 10).

Accordingly, on behalf of Weinstein, we present the following housing options for your consideration:

[ECHO Suites Extended Stay by Wyndham Fort Worth I-35](#)

Extended Stay America - Fossil Creek

Holiday Inn Express - Fossil Creek

We have confirmed availability for these options, beginning on September 10th. We will be confirming additionally that the reservation will be available for you through the earlier of the date your apartment is ready to be occupied again or the date your lease expires (October 26).

Please indicate which of these options you would prefer by 5 p.m. today. Because of community activities impacting availability of accommodations, please provide your selection from these options as soon as possible – and no later than 5 p.m. today.

If we do not hear from you by 5 p.m. today, Weinstein will instead select an option from these three, and make a reservation for you. I will then provide you the reservation information on Monday morning (September 8).

As these options are “pet friendly”, please indicate whether you will be using this opportunity to keep your pets with you, or if you will require that they remain in a boarding facility.

Please note you will need to secure your own transportation from The Bowie to the next hotel on September 10.

Thank you for your attention to this matter.

Regards,

Michelle Sortor
