Subject: URGENT HEALTH & SAFETY ISSUE – Formal Notice & Request for Accommodations – The Bowery at Southside Unit #2145

To whom it may concern,

Please find attached a formal demand letter regarding the confirmed presence of toxic mold in my apartment (#2145 at The Bowery at Southside) and Weinstein Properties' failure to adequately respond to multiple notices of this health hazard. A licensed environmental consultant has now declared the unit "unfit for human occupancy." ❖□

This matter is time-sensitive due to both my medical condition and the current shortage of nearby lodging, as noted in the attached news article. I am asking for your immediate help with relocation to avoid further medical harm.

Thank you for your prompt attention to this serious issue.

Warmly,

Katie Copeland
